Card
2 of 2

Built 1769-70, John Miller, builder; mill operated until early 1920s; unaltered but in poor condition (walls and roofs partially collapsed) 1964; some machinery removed to Hagley Museum, Wilmington, Delaware; given to Friends of the Caleb Pusey House, Inc. for restoration ca. 1964. Example of a simple, but typical, late 18th c. saw and grist mill. 8 sheets (1964, including site plans, plans, elevations, sections, details); field records.

Card prepared 1979
